Personalized Natural Skin Care & Fragrance Products

Thank you for your interest in The Fragrance Lab ES-Scentuals Customized Natural Skin Care Products and Services.

The Fragrance Lab ES-Scentuals is a family owned business originally established in 1988 in San Antonio, Texas. Our eclectic little retail shop is nestled in the heart of University City, Philadelphia where we feature some of our most popular skin care products, our own hand-crafted jewelry, along with many exotic gifts, candles, teas, custom gift baskets and more. In our 3-building laboratory/warehouse, we have manufactured and distributed fine fragrance products and superior hand-made, 100% vegetable oil based soap and shea butter based skin and hair care to Retailers, Private Label Market and individuals Worldwide. The majority of them have become long-time repeat customers. Many of the herbs used in our formulations are grown in our garden.

The Fragrance Lab ES-Scentuals offers you personalized, custom made natural skin care products that focus on what you want, what you feel your skin needs and provides you with a custom made natural skin care solution. We believe you know your skin better than anyone else and that is why we offer a very unique, personalized approach to your skin. Our technicians can help you create and individualize your own natural skin/hair-care or fragrance product wardrobe to meet your specifications. Our service allows you to choose what your natural skin care products will be like, how they will feel, smell, function, and work on your skin's particular needs, just the way you'd like them to. You can even have your name on the label of the products.

From concept to finished product, The Fragrance Lab ES-Scentuals will make your idea a reality. We have the capabilities and knowledge in the manufacturing of skin care, hair care, beauty, bath, cosmetic, and toiletry products in addition to Fine fragrances and fragrance products that transform the ordinary into the sublime through the magnificent power of scents!

What separates The Fragrance Lab ES-Scentuals from the rest? We take care of each step in the development, manufacturing and packaging of your product. To ensure consistency, purity, and quality, our products are made in "Small, Quality Controlled" batches using recipes and techniques passed down by our ancestors.

“We Give You The Personal Attention You Deserve!”

TFLE Personalized Natural Skin Care Products Formulation Process

By completing a short questionnaire, you are taking the first step to having your very own, custom-made natural skin care or fragrance product (s). Please answer all the questions; this is the only way for us to be able to make your natural skin care products to match your needs. The more information we have the better your products will work for you.

By completing in this questionnaire you are not committed in any way to make any purchase of any kind. A standard \$50.00 consultation fee will apply should you decide to continue with services. You will receive a gift certificate, up to the amount of the consultation fee, to be applied toward any purchases.

Once we have reviewed your completed form, a technician will briefly interview you in order to obtain any clarifications and additional information so to provide you with the best possible formulation of your customized products.

The consultation will include product and ingredient sampling, patch testing in addition to packaging/label queries. Although we make every attempt to keep consultations brief, please be prepared to spend up to 1½ hour to complete. To avoid any distractions, we ask that you do not bring guests with you.

Should you wish to place your order on the day of consultation, you will be required to provide a minimum 50% deposit. Before leaving today, you will be scheduled for your follow-up visit when you will do final testing receive your finished product(s) and pay any balance

due.
